

Members - the Club has changed our finances to the ANZ bank. This means that the account for electronic funds transfer for Subs payments and Bookings payments has changed. ♦ Geoff Rose has also taken over as Treasurer so the mailing address for cheques will also change and will be updated soon. ♦ The old NAB account has been shutdown so any payments to that account will be rejected. ♦ To access details of the new account, click here. ♦ (You need to login to access this page.)</p>
