

If you want to book a large group, especially during the peak season of July and August, can you please contact the Booking Officer, [Megan Casey](#) , to let her know which week(s) you want to book. We have a number of different groups wanting to book during peak periods, we want to ensure everyone is accommodated and not trying to book the same week. Please do so **ahead** of bookings opening (on 31 March 2019) so we can try to ensure everyone can get the week they want.
